To the ~~U.S.~~ U.S. District Court for the Middle District of NC, I like the court to Subpoena witnesses to which will testify to who I am. One is Dan Johnson, another is Gregory Lance, another is Luke Rudkowski, another is Kitty Wolf, another is Pam Suors, another is Michael Anthony Nicholson Jr. another is Melissa Melton, another is David Kert of Santago law office in Colorado another is James Freeland, another is Sean Justus and the last are my mom Roberta Ruth Hill, my grandma Stella Forinash, my grandpa Kenneth Forinash, and Angela Bennet. My admin@usdgo.com google Mail account has my contacts info and ~~Facebook~~ my Facebook account has the rest. I am indigent and cannot afford to pay witness fees so I request that the government pay the witness fees.

I request this subpoena be issued by the court. Executed on April 14, 2014.

I also request a new public defender as my current attorney is ineffective as assistance of counsel. Therefore I petition the court to order me new counsel.

The reason I believe my current counsel is ineffective is No communication with me and my family since the FCI¹ Butner, NC mental evaluation. My attorney would not return my families emails and phone calls which concern me. I like an explanation from Eric Placke as to why he hasn't communicated with me nor my family.
